

Together We Are Stronger!

For over a century, the National Federation of Business and Professional Women Clubs, Inc. (NFBPWC), along with the Washington State Federation of Business and Professional Women, Inc. (BPW/WA), has been dedicated to empowering women. Since our founding in 1919 and 1921 respectively, we've championed the business, professional, and leadership potential of women through a wide array of initiatives. Our mission is to uplift women through education, advocacy, mentoring, networking, and economic empowerment programs. As an affiliate of the International Federation of Business and Professional Women, we're part of a global network that spans five regions and over 100 countries. With consultative status at the United Nations, our members actively contribute to various UN committees, driving positive change for women worldwide.

Your membership with BPW allows you to connect locally, unite nationally and ignite globally.
